SLIGHT CHANGE OF VENUE

Those of our members, who have come to lunch most recently, have noticed a new venue for our luncheons and other activities. Due to "losing its lease", the Vesper Club, which had been located on Sydenham Street behind The Racquet Club, has been given space by The Racquet Club in the basement, effectively taking over what was the bar and the dining room of Right Angle. In turn, it is anticipated that Right Angle will hold its luncheons in the main dining room with a bar conveniently located nearby.

As with any change, there may be "little periods of readjustment," and we should take the longer view of things working out over the ensuing months.

I am only your reporter here, but I would suggest that we arrive on time for lunch in case there are unforeseen, last minute, temporary room changes.
