

The most august month is upon us at Right Angle. And it's only fitting that we will be pulling speakers from the most august pool. And by that I of course mean our own members. This month will feature our own **Doug Pugliese** and **Dilap Das**.

I suggest we all take a much needed break from anything political during this month and build up our strength for the fall election season, which to quote Simon and Garfunkel, is definitely "anyway you look at it you lose".

I hope to see you all throughout the month!

Please send any club member news, or other announcements, to rightangle1922@gmail.com and it will be included in the monthly newsletter.
