

The summer is being left behind and at Right Angle we are going to be starting off our fall season post haste. While it's always nice to relax away the lazy summer days those days are always best appreciated by contrasting them with the more active days during other times of the year. September will be an active month at Right Angle, while we are not meeting on Labor Day, we do have exciting speakers lined up, as well as a fall fling that features my favorite food... BBQ.

I'm hoping that we will see a strong turn out at the fling as it gives everyone an opportunity to socialize in a different format from our regular lunches.

Cheers the kick off of a great fall at Right Angle!

Please send any club member news, or other announcements, to rightangle1922@gmail.com and it will be included in the monthly newsletter.
