

Gentlemen of the Right Angle Club,

It is APRIL – what happened to the first quarter of the year and all of those New Year's resolutions? Well, there remain nine months of the year to make things right. What better way to do so than by learning the "right angle" on the world through enlightening conversation every Friday?

NOW is also the time to invite old or new friends to come in from the April showers, join us for lunch and learn about our great Club. We have already had some terrific programs this year – ranging from Dracula to Rubens. Don't miss out on the ones this month!

AN IMPORTANT REMINDER

THE TAX MAN COMETH – This year the bad news must be mailed to him on Tuesday, April 18. Thank Senator Henry Wilson and Representative Thaddeus Stevens for the one day reprieve (and for a lot more).

Please send any club member news, pictures or other announcements, to rightangle1922@gmail.com and it will be included in the monthly newsletter.
