

Monthly Notice - July 2017

Gentlemen of the Right Angle Club,
JULY IS HERE AND HALF OF 2017 IS NOW HISTORY! Although we celebrate our independence every Friday with interesting speakers and good conversation, this month is a particularly good occasion to remember our country and the ideals for which it stands.

It is also a good moment to remember your president's birthday, which falls on July 20.

NOW is the time to ring your Liberty Bells, shoot off some firecrackers (but not indoors) and invite old or new friends to hop off their surfboards and join us for one of our 4 sumptuous Friday lunches.

As announced at the June 16 luncheon, our contract with the Pyramid Club has been renewed. We will continue to enjoy the views from the 52nd floor in 2018.

IMPORTANT REMINDER—

SEPT 24 FALL FLING is scheduled for September 24. HOLD the date and mark your calendars NOW!

Please send any club member news, pictures or other announcements, to rightangle1922@gmail.com and it will be included in the monthly newsletter.
