SEPTEMBER

Newsletter

Well now it is SEPTEMBER! How many of us were thrilled (or nauseated) to hear the jingle "School bells ring and children sing it's back to Robert Hall again" blare endlessly on the TV and radio in our younger years and remind us of the end of our summer fun? Thankfully, Robert Hall and its jingles are no more (RIP 1977). Unlike summer vacations, the fellowship and good cheer of the Right Angle Club continue without interruption throughout the year.

NOW is the time to invite old or new friends to leave their school lunch pails and peanut butter and jelly sandwiches behind and join us for one of our 3 sumptuous Friday lunches this month.
